

small things BIG DIFFERENCE

Discussion

Talking through the message helps you to turn what God is saying to you into action steps. Begin with the key discussion question, the privately answer the personal reflection questions. Then, conclude by deciding on your next steps.

The Main Idea:

It's often the small things that no one sees that result in the big things that bring lasting change.

Key Questions for Discussion:

- Read Matthew 25:14-21 together, paying specific attention to the last verse.
- Retell the story to each other in your own words
- What is the man's expectation of what ought to happen with what he has entrusted to others?
- How does the thought of "giving an account" to Jesus affect the seriousness of how you live your life now and your being ready for His return?

Key Questions for Personal Reflection:

- What's one thing you would like to change about yourself or accomplish as a result of this teaching series?
- In what ways did you grow in the last year and in what ways did you struggle?
- How disciplined are you at doing the small things in your life? What might be keeping you from being as disciplined as you should be?
- When we are faithful in the small things, God trusts us in the big things. How have you seen the truth of this statement in your life? (if you're willing, speak to Simon about this today as we'd love for you to share the answer to this question with the rest of the church)
