Sermon Response

- How did you respond - what were/are some of the victories and challenges - to the three ways Holiness is used in the NT:
 - You HAVE been made Holy
 - You ARE being made Holy
 - You WILL become Holy
- Which one do you struggle to understand or apply the most? Why?

Going deeper

- The guilt offering uniquely emphasizes several principles about healing personal relationships that have been damaged by personal failure:

 - Doing all that is required to right a wrong against another person is not only fair for the offended, but it is also good for the offender.
 - Read Matt. 5:23-24. Why does Jesus connect offence and worship?
